Correspondence: Grass Roots letter is posted and we received a letter from the Federation confirming there dinner here April 21st. There is some info coming in on Farm Days, they offer tent rentals with a early bird discount, we will contact Tom Ess about his tents and pricing first. (we need a better tent than last year)

Committee Reports & Upcoming Events: The dues are due for the Federation and Steve will look into this for us. There are 22 Cash Bash tickets sold so far, remember tickets bought before April 21st are in for the early bird drawing for a free ticket or \$100.00. Mac has tickets for the Mac Shoot on April 21st and there are raffle tickets at the club for a 32" TV, lets work on getting them sold. Fish dinners start this Friday the 17th. FRESH HADDOCK dinners are \$12.00 and chicken dinners are \$8.00, Jeff will need help with these. There will be a birthday party here on March 3rd from 4PM till.

Old Business: We are looking into the problem with the fob system with a quick computer fix. JR will be bringing new coffee makers this week. Woody will be getting started on the new wall and coffee area soon. We need to fix or replace some doors in club before next winter to help with heating, also maybe a wall heater in the bar area to help with heat, Jeff is looking into this.

New business: We lost 21 members this year from non payment. Bill Havilland asked if a rifle shoot would go at the club and we encouraged him to look into this, anyone with info on how a shoot is run can contact him. We all thanked Chuck Holmberg on doing a great job doing the buying for the club, any questions and problems should be directed to Chuck so he can take care of them.
